

For healthy and elastic skin!

Maintain clean and energetic skin with 3 minutes rolling massage a day!

A massage on your face and body with comfortable rolling rhythm while relaxing at home. Support moisturized, bounce, resilient skin and also healthy body.

Let's aim / for healthy, elastic and beautiful skin!

Function 1
Alternate magnetic field

Generates an "alternating magnetic field" without using electricity. Rolling motion of built-in magnets generate an alternating magnetic field (The direction of the magnetic force lines changes periodically) without using electricity.

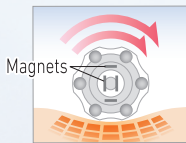

Improve blood circulation by pressing the acupressure points. The protrusion part is used an elastomer resin containing "AQUA GOLD SILICA" that pressing the skin comfortably. Feel comfortable while pressing your skin.

Function 3
Acupressure Point Function

Function 2
Tapping effect

For improving the skin condition, the secret is the "Tapping Effect". Moderately stimulate the skin with a rhythmic touch by the uneven surface of the titanium shafts and tapping effect of magnets repelling each other. Lead to firm and elastic skin.

titanium shafts

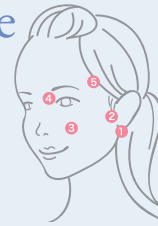

Reproduce the rhythmic hand touch of an esthetician.
